**AMENDMENT**

Dear Mr. Sir:

In response to the office action of March 14, 2002, please amend the above-identified application as follows:

**In the claims:**

Please amend claims 1, 5, 6 and 7 as follows:

1. (Amended) A method of routing traffic, comprising:
- a) identifying a tract of land from where traffic is to be routed;
  - b) identifying an area spaced from the tract of land, the area being suitable for supporting a road for routing the traffic, at least a portion of the area comprising at least a portion of a body of water located proximate to the tract of land;
  - c) locating the road through the area to span the tract of land; and
  - d) linking the road to either end of the tract of land.
